Texas Head Start Association

JOB OPPORTUNITY POSTING

Job Title: Director of Health Services

Employer/ Agency: Center for New Communities

Job Description: The Director of Health Services manages and coordinates health, dental, nutrition, mental health, disability and social services. The Director will analyze data and complete reports related to provision of health, dental, mental health and disability, and social services. The Director is responsible for ensuring that Performance Standards are met during daily operations and that program systems and procedures are coordinated to meet Early Head Start Standards and Minimum Day Care Standards. The Director of Health Services is also to provide support and consultation to Site Coordinators, Family Service Workers, and coordinates other appropriate staff concerning EHS operations. Other responsibilities include program monitoring for compliance and community linkages. Office located in South San Antonio, with some travel to other program sites.

Qualifications: Must have experience in public health, nursing, health education, maternal/child health, or health administration/management. Bachelor degree preferred.

Hours: Full Time

Salary: \$35,000-\$50,000

Send your resume and cover letter to: hr@c4newcommunities.org

Application Method Preferred: Email
